Will you therefore have the usual investigation made and advise me what you consider would be an equitable apportionment in this case.

I might also add for your information that Mr. Mueller's pre-emption is encumbered with seed grain amounting to $411.00 received by him in the year 1919-20. You might take this into consideration when considering the apportionment.

MEMORANDUM.

Mr. Hill ---

Re John Joseph Mueller
S.½ 28-2-13 W4M

In the spring of 1915 John Joseph Mueller received advances of Seed Grain, Fodder and Relief from the Department aggregating $738.15, giving as security for same liens on the land above described which he held as a patented homestead and pre-emption.

Messrs. Thomson & Jackson, Barristers, etc., Pincher Creek, Alta. have now written the Department stating that they are taking foreclosure proceedings against the patented quarter section on behalf of the Great West Life Assurance Company, and request to be advised as to whether the Department will agree to apportion the indebtedness between the two quarters in view of the fact that if the Great West Life Assurance Company will require to pay the total indebtedness they will suffer a considerable loss in this case.

On referring the matter to Mr. Cuttle he submitted a report from Mr. Homestead Inspector T. Bronsdon in which it is stated that in 1915 Mueller had an equal area in crop on both quarter sections and there is at present about 130 acres broken on each but all the buildings are on the patented quarter. Mr. Mueller has not been able to raise a loan on his Certificate of Recommendation but has a very fair crop on both lands and should be able to liquidate a portion of the indebtedness this season. A fair apportionment in this case would be three fifths on the homestead and two fifths on the pre-emption. Mr. Cuttle recommends that on payment of the Seed Grain lien for $431.85 and two Fodder liens for $20.60 and $95.00 respectively the patented quarter section be cleared from all liens, Mr. Cuttle's reason for assessing the homestead with this large amount being evidently due to the fact that Mueller has received Seed Grain advances amounting to $490.20 in the years of 1919, 1920 and 1922, and Fodder and Relief amounting to $409.05 in the years of 1919, 1920 and 1921.

Will you kindly advise me what further action you require to be taken in this case.

W. W. Cory, Esq., C. M. G.,
Deputy Minister of the Interior.

I beg to refer you to the memorandum hereunder prepared by Mr. Abercrombie in reference to the request of Messrs. Thomson & Jackson, Barristers, Pincher Creek, Alb rta, for an apportionment of the seed grain, fodder and relief indebtedness outstanding against the above described land as between the two quarter sections.

It will be noted that the advances which form a charge solely against the pre-emption are exceptionally heavy, totalling $917.45 principal, which includes $78.00 1918 relief. Mr. Cuttle's recommendation will leave fodder to the amount of $115.70 also a charge against the pre-emption. The 1918 seed grain, however, was used also on 140 acres rented land, so that the Department could hardly charge the homestead with more than the three liens suggested by Mr. Cuttle, $431.85, $20.60 and $98.00, and I would, therefore, recommend that this apportionment be submitted to the above mentioned firm, with a statement showing the heavy indebtedness against the pre-emption, so that they will understand our position. I would also recommend that Mr. Cuttle be instructed to collect as large an amount as possible from the crop grown on the pre-emption, for which we have furnished seed.

Respectfully submitted,
P. MARCHAND

While you might think that the amount the Department requires you to pay is rather large you will note from this statement that the pre-emption is being held as security for something like two-thirds of Mr. Mueller's total indebtedness.

Adverting to your letter of the 31st July last relative to the Seed Grain, Fodder and Relief indebtedness incurred by John Joseph Mueller on the security of the land above described I beg to state that your recommendation in this case has been adopted by the Department. MEMORANDUM.

Mr. Hill -----

Re S.½ 28-2-13 W4M
John Jos. Mueller

Further to my memorandum to you of the 19th ultimo, and Mr. Marchand's memorandum to the Deputy Minister relative to the request by Messrs. Thomson & Jackson, Barristers, etc., Pincher Creek, Alta. for an apportionment of the Seed Grain, Fodder and Relief indebtedness outstanding against the S.½ 28-2-13 W4M in the name of John Joseph Mueller in which it was recommended that upon payment of the liens for $431.85, $20.60 and $95.00 the Department would clear the title to the S.E.¼ 28-2-13 W4M, I beg to state that this firm has now written the Department requesting that this decision be reconsidered. In support of their request they state that this quarter section together with other lands in the district has practically no market value owing to the drought. Even if the Department is willing to accept payment as mentioned above, together with interest they do not think it will pay their clients to carry on the foreclosure as according to the appraisal of lands in that vicinity a quarter section is not worth $800.00. They therefore before getting further instructions from their clients ask to be advised if a better concession could not be made owing to the fact that if the amount of the liens, as stated in our letter, are paid together with interest and the taxed costs of foreclosure their clients would be paying out more than the land is worth, in addition to their mortgage loan being a total loss. They therefore ask that the Department look with favour upon bringing the amount of the liens against the land to such an amount as it would be advisable for their clients to pay, and the Government would then receive the amount in cash, their clients to have an interest in the land, and eventually the land would be made use of as the Company would wish to sell as soon as possible. In other cases in the vicinity where this land lies their clients have sold the land under crop plan without one cent cash. The Government's seed liens of 1915 having been made first encumbrances to prior registered mortgages have been a serious financial loss to mortgage companies and their clients had to assume liens in several instances were they foreclosed under mortgage.

Will you kindly advise me what further action you require to be taken in this case.

MEMORANDUM

W. W. Cory, Esq., C. M. G.,
Deputy Minister of the Interior.

Referring to my memorandum of the 21st August recommending an apportionment of the above man's 1915 seed grain, fodder and relief indebtedness of liens for $431.85, $20.60 and $95.00 against the S.E.28-2-13 W4th and the balance against the S.W.28, which you approved, I beg to advise that this apportionment was submitted to Messrs. Thomson & Jackson with a full statement of Mr. Mueller's indebtedness, so as to show the very heavy share which will charge solely against the pre-emption. They have now replied requesting that the Department reconsider the matter and pointing out that according to the appraisal of lands in that vicinity, a quarter section is not worth $800.00. This statement is decidedly misleading, as according to various reports on file, application for patent for the pre-emption and application for seed grain, the buildings on the homestead quarter are worth over $1600.00, the house being stated to be worth $1,000. According to Mr. Bronsdon's report, all the buildings are on the homestead quarter. In view of the very heavy indebtedness against the pre-emption, I do not see that any further consideration could be given in this case.

Respectfully submitted,

P. MARCHAND

Financial Controller.

N.½ 22-2-11 W4th.

I beg to acknowledge receipt of your letter of the 20th ultimo, having reference to the Seed Grain, Fodder and Relief indebtedness incurred by John Joseph Mueller on the security of the land above described and advising me that the lien for $20.60 which is one of the liens the Department requires you to pay before title to this land would be cleared is not registered against the land and therefore ask that on payment of the sum of $431.85 and $95.00 all liens registered against the title would be removed.

In reply I beg to advise you that the Department's offer in this case was that on payment of the sum of $431.85, $20.60 and $95.00 steps would be taken to clear the title, and payment of these amounts plus the necessary interest, no more and no less, will be required before any action can be taken to clear the title.

With reference to your statement that the lien for $20.60 is not registered I may say that this lien is in all probability included in the registration of the lien for $623.15.

COMMISSIONER

If this man desires to take up a homestead in the northern part of the country, he would appear to be eligible under the amendment of 1923 to apply to the Province for a Certificate of Approval, and he might be advised fully to that effect. If he takes advantage of this amendment he would have to abandon his pre-emption.

On the other hand, if he wants to remain in the same district he cannot get a homestead, and in that event he might be given a final opportunity to the 1st November next to make a substantial payment on account of his pre-emption. If, in the meantime, he secures an opportunity of mortgaging or selling the land for an amount sufficient to pay off the purchase price and interest, he could make application for an extension of time on the Certificate of Recommendation, which should be returned to the Department with the application for extension of time.

communicate with the Provincial Authorities at Regina giving them full particulars, as before your case may be considered by the Department, you will be required to obtain a Certificate of Approval from the Province. You should address your letter to the Deputy Minister of Agriculture, Regina, Saskatchewan.

In the event of your being successful in securing a Certificate of Approval you may then select one vacant and available quarter section of Dominion Lands outside the "Dry Area" as specified in the amendment to the Act and make application to the Agent of Dominion Lands for the district in which the land is located to have it reserved for you. If the Agent is aware of no reason to the contrary he will reserve the land in your favour. You will then require to furnish this Department with satisfactory evidence as soon as possible in the nature of an Abstract of Title showing that you have been divested of all interest in your patented homestead and any other land holdings (excepting town property) which you may have in the said "Dry Area". While you are furnishing this evidence you will be given permission to again appear before the Agent and make formal application for entry for the land selected.

I might add that there is no provision under which you can reconvey your land holdings in the "Dry Area" to the Crown. It will be necessary for you to furnish evidence that you have disposed of all your interest in such lands and that they stand in the name of some other person or persons, but not in the name of the Crown or in the name of a member of your family.

Should you secure another homestead you will be required to perform all the ordinary homestead settlement duties in order to obtain patent. Any seed grain or relief indebtedness to this Department would have to be transferred to the new location.

You will observe from the foregoing that if you are adjudged eligible for another homestead, you must locate on some vacant and available quarter section of Dominion Lands outside the boundaries of the "Dry Area".

Sir,

S.E.¼ 28-2-13-W.4th M. - Homestead patented.
S.W.¼ 28-2-13-W.4th M. - Pre-emption.

I beg to acknowledge the receipt of your letter of the 24th ultimo, which was accompanied by a statutory declaration in defence of the cancellation proceedings which were instituted against your pre-emption entry for the South West quarter of Section 28, Township 2, Range 13, West of the 4th Meridian, and which were forwarded here by the Agent of Dominion Lands at Lethbridge.

In reply I am to state that assuming you are desirous of retaining your pre-emption, it has been decided to allow you a final notice until the 1st November next within which to make a substantial payment on account of the purchase price to the Agent of Dominion Lands above mentioned.

I am to warn you that this is a final chance and should you fail to comply as stated within the time allowed, the official aforesaid will cancel your entry without further notice. If, in the meantime, you secure an opportunity of mortgaging or selling the land for an amount sufficient to pay off the purchase price and interest, you should make application for an extension of time on the expired Certificate of Recommendation, which you should return to this office, and which application would be considered.

Relating to your remarks as to whether you may take up another homestead in Alberta more favourable, I beg to state that under an amendment made to the Dominion Lands Act in 1923, the privilege of a second free homestead is extended to those settlers who took up homesteads and obtained patent for same prior to the 1st January, 1923, in what is known as the "Dry Area" in southern Saskatchewan and Alberta, i.e., that portion south of the south boundary of Township 31 in the old pre-emption and purchased homestead tract. The main points of the amendment are explained on page 8 of the enclosed Hand-Book.

If you are desirous of making application in this connection it will first be necessary for you to abandon your pre-emption for which purpose I am enclosing herewith form No. 215A.

It will also be first necessary for you to

Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Gentlemen Re CH 70084

We are writing to you at this time with regard to the South West quarter of Section 28-2-13 W 4th Preemption of John J. Mueller which wasup for homestead entry on the 19th and as far as we know it was not filed on as the amount of Seed Grain and Relief is far in excess of what anyone would be prepared to offer for it .

Now would it be possible or is there any arrangement whereby the Department will amke a con cession or adjustment of this account and make it possible tohave it taken up by a party who is living in the district and make something out of this piece of land and in fact the party is now farming it and has considerable land summerfallowed on it at present time and understands that any share of the crop is to be paid to the Department until such time as the Lien is paid off.

Land out in that district has been abandoned and there is not very much activity in farmers trying to obtain any of it and are inclined to move closer to town.

Trusting that you are in a position to put this up at a reasonable figure and have it filed on so that it will return some of the asvance to the Department and also give the School District some returns in the way of Taxes as the man Christ Lorsermier will file on it and make good and pay his obligations.

Awaiting your reply, I am,

Yours truly,

P. Lowell

COMMISSIONER

Ottawa, 5th January, 1928.

Memorandum: Mr. Hume.

Re S.W.¼ 28-2-13-W.4th M.
Area "A"

This quarter-section was formerly the pre-emption of John J. Mueller and is subject to a seed grain indebtedness amounting, with interest, to a very considerable sum ($1100.00 or more).

The land was posted to become available for settlement on the 19th December last, but no entry has been reported so far.

Mr. F. J. Coates of the Milk River Hardware Company, Milk River, Alberta, has communicated with the Department on behalf of a man named Christ Lordermier, who is prepared to make entry provided there is an adjustment of the seed grain indebtedness, as between this quarter-section and the patented homestead of Mr. Mueller, the South East quarter of the same section.

The Department has had no recent report in connection with this case and there is therefore no official information as to the character and extent of the improvements on the land. However, judging from Mr. Coates' letter, it would appear that Lordermier has been farming the quarter-section and has considerable land summerfallowed. Although it is not so stated, it is evidently his intention to crop the land next Spring, and it is stated that he is prepared to turn over his share of the crop to the Department to apply on the seed grain indebtedness.

According to reports on file the quarter-section is all fit for cultivation, but being in the "Dry Belt" the land cannot be farmed profitably on account of lack of moisture.

The matter is submitted in order that a decision may be given as to the prospects of an adjustment of the seed grain indebtedness.

We need report and valuation might be called for. (Mr. Powell)

OTTAWA,

F. J. Coates of the Milk River Hardware Company, writing on behalf of one, C. Lordemier, advised that he is prepared to make entry on this quarter, providing that there is an adjustment of the seed grain indebtedness as between it and the patented Homestead, the South-East.

According to reports on file, this quarter is all fit for cultivation but being in the dry belt the land cannot be farmed profitably on account of moisture. However, it is to be noted, the South-East quarter, as stated above, cannot be held as affording any security and the question, therefore, is not one of apportionment but of adjustment of the outstanding indebtedness to an amount commensurate with the value of the South-West quarter.

Ottawa, 18th January, 1928.

Dear Sir,

I beg to enclose herewith a statement showing the amount due in connection with advances made J. J. Mueller, on the security of the SW½-28-2-13-W.4th, his pre-emption since cancelled, and at present vacant.

Apparently the debtor is still a resident of the locality, and according to a recent communication received from him, he is a married man with a large family of five girls and four boys, and claims to have lost everything he had in his farming operations. No doubt the Provincial Government can give you information in this regard, in view of the fact that they have the collection of advances made under the 50% arrangement in hand.

As conditions now stand, the heavy charge against the pre-emption prohibits anyone taking entry, and as mentioned in the attached statement, one, Christ Lordemier, is prepared to make entry providing there is an adjustment.

Would you kindly have this matter dealt with by your Board and let me have their report.

Yours sincerely,

Commissioner.

Sir,

Re S.W.¼ 28-2-13, W.4th M.

I am to acknowledge your letter of the 10th instant in which you call attention to a communication of the 22nd December last on behalf of Christ Lordermier in the matter of his desire to be permitted to make entry for the quarter-section above mentioned as a homestead, subject to a satisfactory adjustment of the seed grain indebtedness amounting, with interest, to over $1,800.00, and in reply to say this matter has been referred to the Adjustment Board at Calgary, and pending receipt of a report in the matter the Department will be unable to take under advisement the offer you have submitted on behalf of Mr. Lordermier, namely, $500.00, one half of which will be paid at date of entry and the balance next autumn.

However, providing the land is available and Mr. Lordermier is desirous of making entry at once he will be permitted to do so on the understanding that he pays one-fourth of the total indebtedness as now recorded subject to the benefit of any adjustment which may be made afterwards.

Sir:-

Referring to your letter of the 1st ultimo in connection with the application of Nelson B. Remington for a lease of the grazing rights on S.W. 28 & N.E. 34 - 2 - 13 W. 4th M. I beg to say, that I do recommend that Mr. Remingtons application be cancelled on the S.W. 28 - 2 - 13 W. 4th M. as this ¼ is suitable for agricultural purposes as there is 45 acres summer-fallow also 40 acres seeded to winter-wheat.

Mr. C. Loderreier had this land rented from Mr. Mueller before it was cancelled, and he is desirious of obtaining a homestead entry on same. There is 1 mile one wire fence value $15.00.

I would recommend that Mr. Remington be given a lease on the N.E. 34 - 2 - 13 W. 4th M. the granting of a twenty-one year lease will not affect injuriously the interest of any bona-fide established industry in the district, this ¼ is suitable for agricultural purposes but there is no one in the district who wants to make entry on it, and I think it is better to lease it than to have it laying idle. There are no improvements on this land.

Re: S.W. ¼ -28 -2 -13 -W.4th

At a meeting of the Committee appointed under Order P. C. 2200 held on May 3, 1928; it was unanimously decided to recommend that the liability now registered against the S.W.¼ -28 -2 -13 -4 be established at the sum of $800.00, in full settlement of all outstanding liens, in accordance with the terms of the report, dated May 1, 1928, made to the Committee by the Director, Debt Adjustment Act, copy of which is attached hereto.

In support of this Recommendation the Committee states:

That the land in question comprised the preemption of one, J. J. Mueller, which has been cancelled.

That the Seed Liens advanced against the said land amounted to $680.90, and that the amount now due for said liens with accrued interest is $1071.19.

That the Relief Liens advanced against the said land amounted to $518.95, and that the amount now due for said liens with accrued interest is $717.19.

That the total amount due for said seed and relief liens is the sum of $1788.38.

That a fair value for the said land is $800.00, this being more than the assessed value thereof.

That the opportunity be given to the public to make application for homestead entry for said land on the applicant assuming the amount of $800.00 for the said liens.

That in order to make the land available for homestead entry the grazing application now on file be cancelled.

The Committee therefore recommends:

1. That the total amount of the liability for Seed and Relief Liens be reduced to $800.00, said reduction to be applied pro rata against both the Seed Grain and Relief advances and that the balance of the claims for Seed Grain and Relief with accrued interest thereon be written off.

2. That the grazing application be cancelled.

3. That the homestead regulations be complied with, the value of the said land being placed at $800.00 and any applicant to agree to pay this amount before his application is accepted.

4. That no title be issued to any person for said land until the full amount of $800.00 is paid.

5. That in the event of such payment of $800.00 being made, the amount paid to be divided pro rata between the Seed Grain and Relief Liens registered against said land, and such liens to be fully discharged when the said amount of $800.00 is paid.

Dear Sir:-

Re: SW 28-2-13-4.

This land is the cancelled pre-emption of one, J.J. Mueller, and is subject to the following Dominion Liens filed against this property to cover advances made to this man:-

1915	Seed Lien	$190.70
1919	" "	221.00
1920	" "	212.40
1922	" "	56.80
		$680.90

in which respect there is due, with interest computed to March 31st, 1928, the sum of $1,071.19.

This land is further subject to the following liens filed as security for advances made by the Provincial Government under the 50% agreement with Ottawa:-

No. 2669 - Apl. 2/20	148.25
2674 - " 2/20	61.75
772 - Dec.18/19	171.80

1848 - Dec.24/21	27.25
9228 - Apl.25/22	83.40
	$518.95

and there is due in this respect, with interest to March 31st, 1928 the sum of $717.19, making a total charge against this property of $1,788.38.

On March 6th, Mr. F.J. Coates, acting on behalf of one, Chris. Lordemier, informed us that the latter was desirous of

making entry on this land but could not see hiw way clear to assume the whole of this seed grain and relief indebtedness, since the land was not worth so large an amount. We, therefore, requested Mr.F.J.Coates to ascertain what sum his client would be prepared to pay as consideration for the release of the liens against this property, and he informed us that $800.00 was the maximum sum Mr. Lordemier could afford, further stating that the property is situated eighteen miles east of Milk River, and has a very poor, one-wire, fence on two sides. There are about 115 acres broken, 40 acres of which is in wheat and about 43 acres in summerfallow.

We found, on application to the Department of Municipal Affairs, at Edmonton, that the assessed value of this property is $720.00, and, from other sources and our own personal knowledge of the country, it would appear that Mr. Lordemier's offer is a very fair one, and we informed him that we were prepared to recommend the adjustment on this basis to your Board, whereupon he forwarded the sum of $300.00 to be held in trust as a sign of his good faith and promised to pay a further $500.00 next fall, in full settlement of the Dominion and Provincial claims against this quarter section.

We advised the Agent of the Dominion lands, at Lethbridge, of this proposed arrangement in respect to these liens, and he replied stating that at the present time there is an application for the lease of the grazing rights on this land which must be first deleted, that, if it is decided by the Department to cancel the application for grazing rights, it will be necessary to first post the land making it available for settlement under the homestead regulations. After being advertised for ten clear days, it will then become available, returned soldiers having the preference for the first two days, the third day it will become open to the general public. He further pointed out that it will be necessary for Mr. Lordemier to be the first eligible applicant, to give him a prior right to the land.

Mr. Lordemier is very anxious to get this matter settled at as early a date as possible, in order that he may take advantage of the land this coming season and bring as much as possible of it under crop.

It would, therefore, appear to be desirable to take this matter up with the Dominion Government at the earliest possible moment, since the settlement offered by this man would appear to be a very fair one, and, furthermore, it would bring the land in crop this year instead of it going back to weed.

I would recommend, in the event of this settlement being approved and arrangements arrived at whereby Mr. Lordemier can obtain possession of this property, that the $800.00 to be paid by him be distributed pro rata between the Dominion and Provincial claims.

It might be observed that a statement rendered by the

NT ACT (ALBERTA)

524-1157

Department of the Interior shows that these liens were also registered against the SE 28-2-13-4, but that this property was foreclosed on by the Great West Life Assurance Company in 1922, who obtained a clear title on payment of a proportionate amount of the 1915 liens, so that this quarter does not afford any security for the existing indebtedness.

It might furtherbe noted that while Mueller is still a resident in Southern Alberta, his position is practically hopeless, as he has lost everything in his farming operations and has a large family of five girls and four boys to support, in view of which fact there would not appear to be any good purpose to be served by the retention of his account on either the books of the Dominion or Provincial Governments, and I would, therefore, recommend in the event of the settlement outlined herein being effected, that the balance of his account on both the Provincial and Dominion records be written off.

Yours truly,

Director.

MEMORANDUM

Mr. Perrin

re - J.J. Wellwyle.
T.W. 1 -2-11-4W.

This case has received the investigation and recommendation of the Soldiers' Grain and Relief Adjustment Board of Alberta as per copy of reports dated 1st and 22nd of May last.

The indebtedness in this case consists of interest rate by this Department in the years 1918, 1919, 1920 and 1922 to the extent of $[illegible].00 on which the amount now due is $1,071.19 also advanced rate under the [illegible] to the Province of Alberta to the extent of $[illegible].00 on which the amount now due is $717.19. The security at [illegible] consisted of the North-West and T.W. 2 -2-13-West 4th Meridian, but the latter were de-registered from North-West upon payment of a proportionate amount by the Great West Life Assurance Company, and the only security for the balance as shown above now rests in the cancelled pre-emption the T.W. 2 -2-13-West 4th Meridian.

It is represented that one Thiel Wellwyle is anxious to make homestead entry on this land, and in this connection I beg to direct your attention to Mr. Wellwyle's report of May 1st, and also the report from the Committee of the 22nd inst. which explains the situation in detail.

In connection with the Committee's recommendation that the grazing application in connection with this land be cancelled, I beg to advise that said has already been done. It will be noted that the sum of $[illegible].19 is placed as adjustable in this quarter divided on a pro rata basis between the [illegible] items and the [illegible] which result in a credit to the former of $[illegible].19 and to the latter of $[illegible] so that the loss to the Dominion will be $1,071.19 - $[illegible].19 + ½ ($717.19 - $321.00 = $[illegible], a total loss of $[illegible].

They further recommend that the difference between $[illegible].00 and the total amount outstanding be written off.

I presume it will be in order to prepare the necessary Memorandum to Council.

APPROVED

14th July 1928.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

Dear Sir:-

Re: SW 28-2-13-4 - Your File 1720717 and 1722689.

I would refer you to the recommendation made by the Seed Grain and Relief Adjustment Board in respect to the adjustment of Dominion and Provincial seed grain and relief liens registered against this property.

It will be noted that the Board recommended the acceptance of $800.00 for a complete discharge of these liens, and that Mr. Lordemier, of Milk River, expressed himself willing to pay this sum, providing he would be allowed to make entry on the property, which is a cancelled pre-emption.

We are still holding the first payment of $300.00, made by Mr. Lordemier, pending advice from your Department as to whether this settlement is satisfactory, and also whether the applicant has been permitted to file on the land.

Yours truly,

Sir,

Re S.W.¼ 28-2-13-W.4th M.

I have your letter of the 18th December last, Reference No. D-GW-M-5, and in reply to say by Order-in-Council of the 31st August, 1928, P.C. 62/1588, all liens for advances of seed grain, fodder and relief in favour of John Joseph Mueller, and which constitute a cloud upon title to the quarter-section above mentioned, will be discharged upon payment of the sum of $800.00.

With regard to the claims of Chris Lordemier of Milk River, who has deposited with you the sum of $300.00 as a payment towards the liquidation of the said seed grain, fodder and relief indebtedness, I may say that this man can be given no prior right of entry under the regulations in respect to the quarter-section in question.

The Agent of Dominion Lands at Lethbridge is being instructed by concurrent mail to post the land as available for settlement in the ordinary way, in which connection he will advise Mr. Lordemier and all interested parties of record as to when the land will be available for entry, and in that connection Mr. Lordemier will require to take his chance of locating the land in competition with other applicants, if any, subject to the seed grain indebtedness referred to.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of his Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

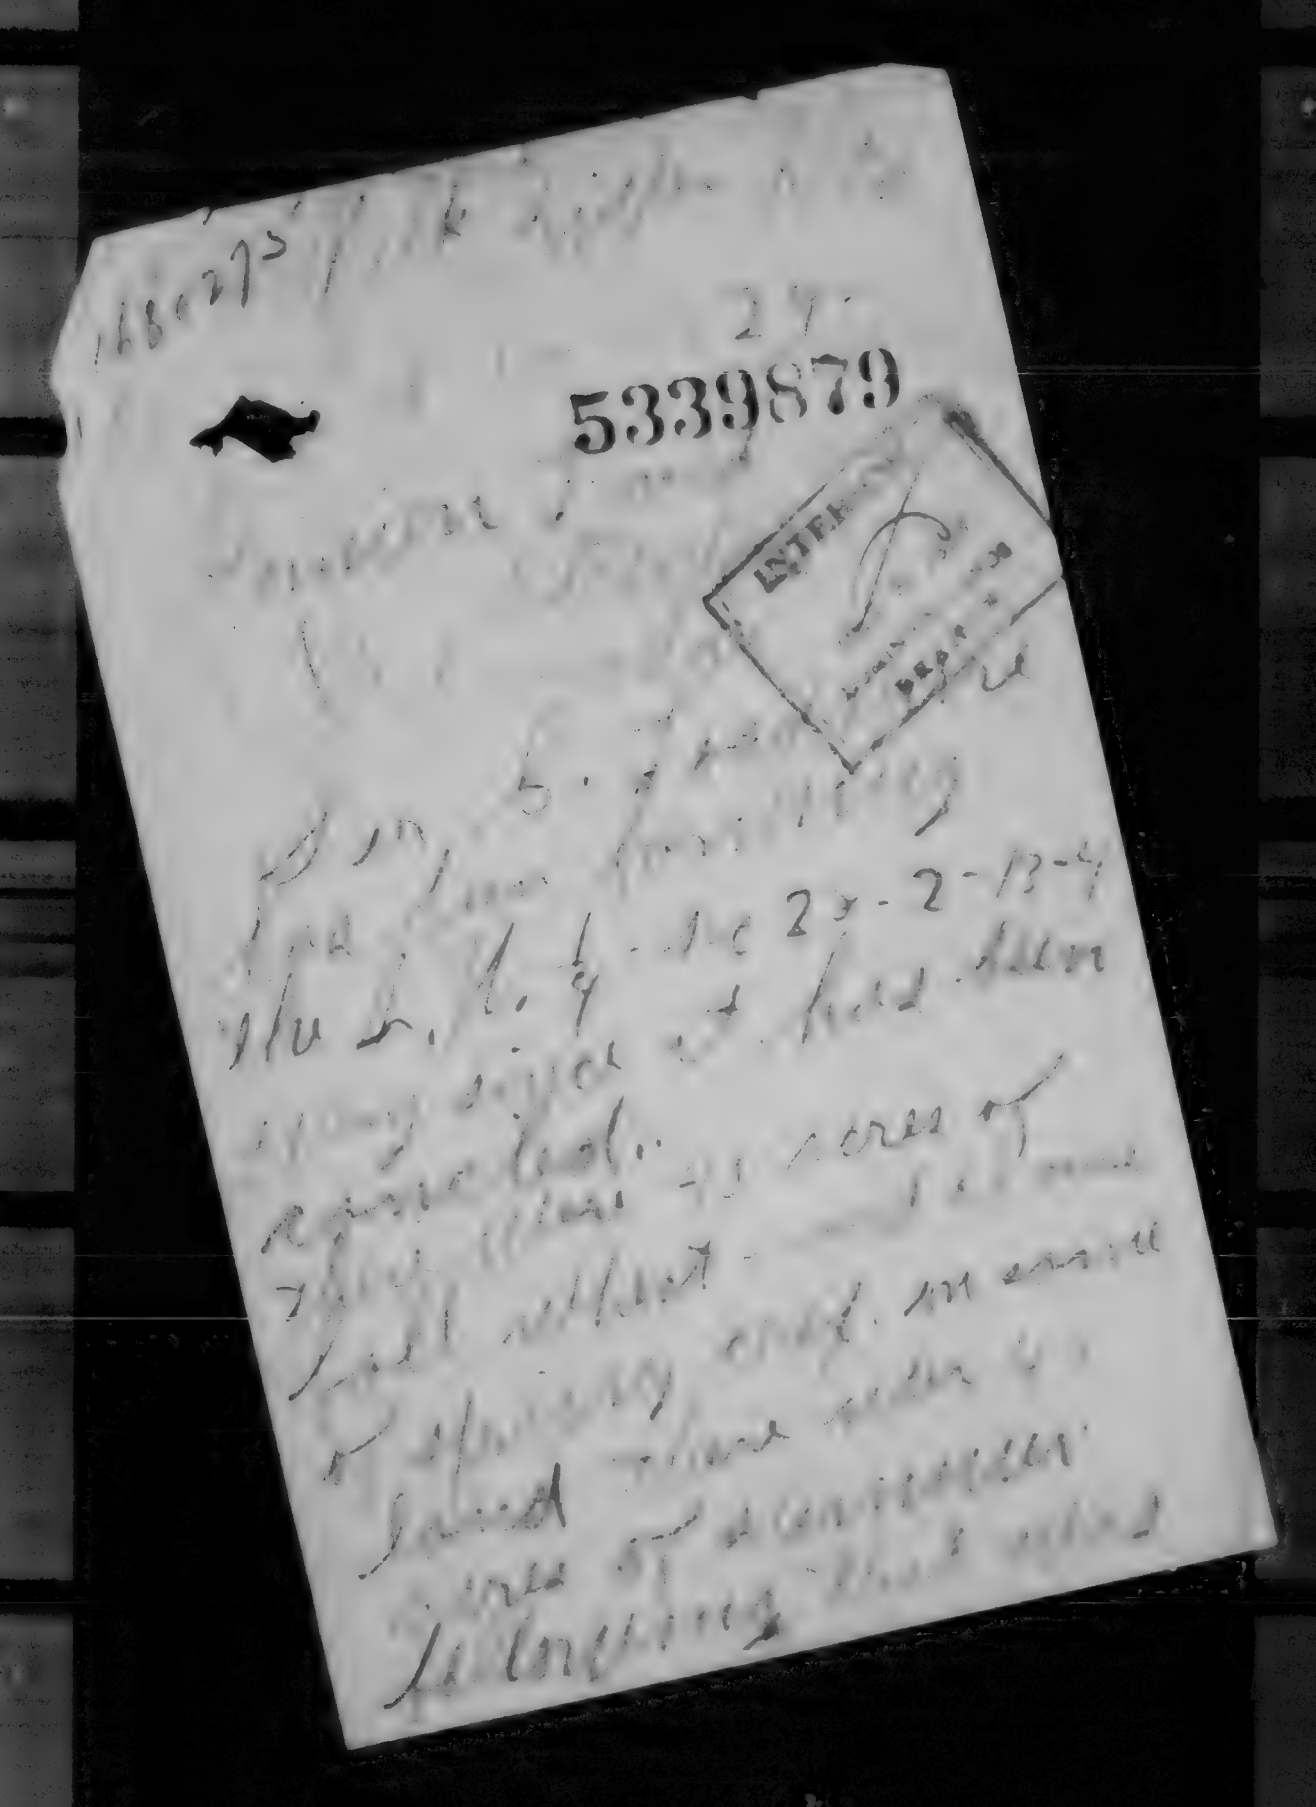
CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;



Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Dear Sir:-

Re: SW 28-2-13-4 - Dominion and Joint
Relief Liens - Your 1680275-1722689.

I will refer you to a recommendation of the Seed Grain and Relief Adjustment Board, passed at a meeting held last May, in which it was recommended that the sum of $800.00 be accepted as consideration for the release of all Dominion and Provincial liens registered against this property.

The sum of $300.00 has been in suspense, pending such time as the applicant, Mr. Chris. Lordemier, had been granted entry to this property, and, in view of the information contained in your letter of the 20th ult., I have now much pleasure in enclosing herewith a cheque for this sum, which represents the first instalment.

It will be further noted from the Director's report that the Applicant promised to pay a further $500.00 in the fall of 1928, but, owing to the delay in securing entry upon the land, there would seem to be some possibility that he will not now be in position to do so. I am, however, today writing him in regard to this matter and will advise you upon his reply as to when the balance may be expected.

Attention Mr. Hewlett.

Dear Sir:-

Re: SW 28-2-13-4.

In reply to your letter of April 18 with regard to balance of $500. promised on the above land, Mr. Lodermeier states that when he was at the land office at Lethbridge, they advised him there that your Department should not have asked him to make any payment for someone else's seed and while Mr. Lodermeier is man enough to complete his obligations, he feels that if your Department was not entitled to a payment when this was taken over by the Land Office that he should not be obliged to pay it.

Please let me hear fully with regard to this.

Yours truly,

"W.J. COATES".

Dear Sir:-

Re: SW 28-2-13-4 - Indebtedness for Dominion Seed Grain & Joint Relief.

Chris. Lordemier made entry on the above property and applied for an adjustment of the indebtedness against same, which matter was referred to the Seed Grain and Relief Adjustment Board, who recommended holding the sum of $800.00 against this property.

The applicant made an initial payment of $300.00, which has been duly forwarded to the Department of the Interior, and, in view of the fact that he promised a further payment of $500.00 last fall, I wrote him asking when this further payment might be expected, in order that the Board Order might give full information to the Department at Ottawa.

In reply to my enquiry I received a letter from Mr. Coates, Milk River Hardware Company, copy of which is attached hereto and is self-explanatory. I feel that there is probably some misunderstanding somewhere, as I do not think it at all likely that your staff would give Mr. Lordemier any such advice as he claims to have been given.

The charges held against this property when effecting adjustment were for Dominion seed grain and joint relief; that is to say, relief issued by the Province, of which the Dominion Government paid 50%, and a statement from the Financial Controller, dated January 12th, 1928, duly includes the Joint Relief liens as representing a fair charge against the land.

2. That he will thereafter pay the remainder of such indebtedness in three equal annual instalments with interest at six per cent per annum, computed from the date of entry, and interest payable upon any such instalments when the payment thereof is overdue shall be at the rate of seven per cent per annum."

It will be seen that an applicant for homestead entry completes an undertaking by which he will, within sixty days after being notified, pay to the Agent of Dominion Lands for the district one-quarter of the difference between the value of improvements and the amount assessed by apportionment or adjustment, and that the balance will be paid in three equal annual instalments with interest. An applicant for homestead entry is, therefore, not required to make any payment on account of seed grain indebtedness when making application for entry. He is also advised that he is not required to make a payment until requested to do so as stated in the first paragraph quoted from form 301.

In the case of Mr. Lodermeier, the entrant, for the above described land, he has completed the forms as required by the Department, and as you will see he has entered into an agreement with the Department whereby he promises to make a payment, within sixty days after being notified, of one-quarter of the adjusted indebtedness, the balance to be paid in three equal annual payments with interest at 6% to due date, and 7% from due date to date of payment.

I might further state for your information that in posting lands the information regarding seed grain, fodder, and relief indebtedness referred to above is contained in the memo attached to all posting notices where there is seed grain, fodder, or relief indebtedness charged against the lands being posted.

By copy of this letter I am forwarding your communication to the Department, and can assure you that no such information was given to Mr. Lodermeier at this office when making application for entry as stated by Mr. F. J. Coates.

Your Reference #D-GW-M-5.

I beg to acknowledge receipt of your letter of the 8th instant with reference to the seed grain, fodder, and relief indebtedness charged against the land above described, and the entry granted to Mr. Lodermeier. From the information contained in your letter it would appear that the requirements of the Department in connection with homestead entries in so far as seed grain, fodder, or relief indebtedness is concerned is not clear.

For your information in making application for homestead entry for lands against which there is a charge of any kind for seed grain, fodder, or relief indebtedness the applicant is required to complete a form 301 in the presence of a witness, the witness being required to complete an affidavit as to execution. The following two paragraphs are part of this undertaking:

"The party of the first part further undertakes, covenants, promises and agrees as follows:

1. That if the seed grain or other indebtedness of the former holder of the land, after adjustment or apportionment of the amount of such indebtedness charged against the land, still exceeds the value of the improvements, he will within sixty days after being notified to that effect pay in cash to the Agent of Dominion Lands for the district one-quarter of the difference between the value of the improvements and the amount assessed by such apportionment or adjustment.

Might I, in this connection, respectfully draw your attention to the Board Order of May 1st, 1928, in which it was recommended that the moneys paid by Mr. Lordemier be distributed pro rata between the Dominion seed grain, fodder and relief claims and the claims under Joint Relief, and ask your advice in this regard, as inquiries have been made by the Seed Grain and Relief Branch as to the possibility of receiving a share of this payment.

Re: C. Lordemier,
Account of J. J. Muller,

Your Ref.D-CW-M-5.

Answering your communication of the 23rd ultimo I beg to advise that the payment of $300.00 as made by Mr. Lordemier and forwarded by the Board has been credited to the account in the sole right of the Dominion and receipts issued in that respect so that a change of credit would now necessitate some considerable alteration of records and it is suggested that as there is a final payment of $500.00 still due, that the matter be allowed to rest and that when said final payment is received the 50-50 division of the sum of $321.00 be then effected and the balance of $179.00 as still due on the Dominion indebtedness be also forwarded.

I would be obliged if you would advise as to whether this suggestion meets with approval as its adoption will obviate the necessity of any change of records in this office.

Acting Commissioner of Dominion Lands.

re S.½ 32-32-15 W.4th Mer..
Your File No.6146 D.S.

Gentlemen:-

Answering yours of the 25th ultimo, I beg to advise that the liens in question were given in favour of this Department in 1915 by one, John Joseph Mueller on the specific security of the S.E.¼ 28-3-13 W.4th Mer. If the lienee is the same Johann Mueller who subsequently acquired an interest in the S.½ 32-32-15 W.4th, those liens constitute a correct charge against the latter land under the Seed Grain Act of 1915, Chapter 14, Statutes of Alberta. If, however, Johann Mueller who purchased the said S.½ 32 from Knudson in 1919 is not the lienee in those liens, the Department is prepared, on receipt of evidence to that effect, to immediately authorize the Registrar to remove those registrations from title.

A statutory declaration executed by Johann Mueller to the effect that he is not the lienee in those liens would be the evidence most satisfactory to the Department. Failing in that, if you could forward an identical sample of Johann Mueller's signature, and any other information concerning his age which might enable the Department to decide on the identity, consideration will be given to a clearance of the liens.

Your obedient servant,

J. Lorne Turner,
Director,

Returning Mr. Mueller's letter. Re S.½ 32-32-15 W.4th Mer.
Your file 6145 DLR.

Sir:-

I am advised by Messrs. Holmes, Herman, Longhead and Cairns, Barristers, Calgary, that liens for $736.15, registered as 7664 A.E. on the 28th September, 1915, and $431.65, $806.30 and $100.00, registered on the 27th December, 1916, in the name of John Joseph Mueller, appear against title to the above described land. The liens in question cover advances to John Joseph Mueller on the specific security of the S.½ 32-32-15 W.4th Mer.

Satisfactory evidence has been submitted that Johann Mueller, the title holder of the S.½ 32-32-15 W.4th, is not the same person as John Joseph Mueller, who gave the liens against the S.½ 32-32-15 W.4th. You are, therefore, hereby authorized and requested to remove from title to the S.½ 32-32-15 W.4th the said registrations of $736.15, $431.65, $806.30 and $100.00, respectively.

A copy of this letter is being sent to Messrs. Holmes, Herman, Longhead and Cairns for their information.

Your obedient servant,

J. B. Oliver,
Deputy Registrar of Dominion Lands Patents.

Dear Sirs,

According to your suggestion concerning the securing of an acre of land for cemetry purposes, I have enclosed a statement signed by Mr. L'H. House signifying his agreement to give the land to The Methodist Church.

The reason why we are anxious to secure this land as soon as possible is because there are already two graves on the land, and when deaths occur people do not like to bury their dead in what is not a properly deeded cemetery. This is not a public

metery within quite a number
of miles from this farm.

Should this land be secured
by the Methodist Church it is
distinctly understood that it is
to be used by the public.

Thanking you for past consideration

I remain

very sincerely Yours.

In regard to your memorandum of the 8th instant hereunder I beg to say that it was decided that an arrangement should be made as far as could possibly be done to have squatters and homesteaders located on the forest reservesremoved therefrom, and the case of Geo. Certified copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 3RD MAY 1924

RECEIVED 6 MAY 1924

The Committee of the Privy Council have had before them a Report, dated 22nd April, 1924, from the Minister of the Interior, submitting that Mr. Howard Taylor of Eagle Butte, Alberta, has applied for permission to exchange Legal Subdivisions 1, 8, 9, 15 and 16 of Section 7, Township 8, Range 3, west of the 4th Meridian, which are situated within the boundaries of the Cypress Hills Forest Reserve No.1 for the northwest quarter of Section 7 and all of Legal Subdivision 13 of Section 6, Township 8, Range 3, west of the 4th Meridian except the most northerly 66 feet of the said legal subdivision, which lands are available for this purpose.

The reason for the exchange is that Mr. Taylor's lands are partly covered with timber and are unsuitable for agricultural purposes. Mr. Taylor has executed a surrender of his lands, title to which is now in the Crown in the right of the Dominion.

The Minister, therefore, recommends that authority be granted for the issuance of Letters Patent to Mr. Howard Taylor for the said northwest quarter of Section 7 and of all Legal Subdivision 13 in Section 6, Township 8, Range 3, west of the 4th Meridian, except for a strip 66 feet in width extending for the entire length of the north boundary of the said Legal Subdivision 13, the north boundary of the said strip coinciding with the said north

boundary of the said Local Subdivision 13, in lieu of the land surrendered by him, in accordance with the provisions of Section 7 of the Dominion Forest Reserves and Parks Act, and that Mr. Taylor be allowed to remove the improvements constructed by him on the land surrendered.

The Committee concurs in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.
